

## Commitment Form

To The Director of PRIUS

Date

Affiliation

Title

Name

Upon conducting the following research at your facilities, I hereby pledge to abide by PRIUS regulations and other related laws and regulations, also to follow the instructions given by the director and the staff at the center for its safety and management. If I am responsible or assumed to be a potential responsible person for any damages or accidents inferred by PRIUS due to my failure to follow the terms and conditions stated on back of the commitment form and other rules, I grant you the right to cancel my research at your facilities.

As for graduate students who use your facilities have the Personal Accident Insurance for Students Pursuing Education and Research provided by Japan Educational Exchanges and Services (JEES), or other insurance that is equal to or greater. Lastly, I pledge; I have taken safety and health education guidance and understood the content of the guidance.

Project Number

Project Title

Project Period

1. The Commitment Form is effective starting from the date of signing until the end of FY (31th March).
2. You receive a right to use our facilities as well as the technical guidance by GRC staff.
3. You need to follow the GRC rules and the instructions given by GRC staff for the safety.
4. You need to go through the appropriate procedure for the following cases:
  - Taking any goods owned by GRC to outside Japan
  - Posting or emailing any information acquired through any researches at GRC to other countries.
  - Providing the information on any researches or skills at GRC to someone who is considered as a non-resident according to the Foreign Exchange and Foreign Trade Control Law.
5. Please ensure your safety when you use anything with radiation, high pressure gas, and chemical, moreover you are supposed to have either a license or permission to use them.
6. Compensation for damages or losses
  - You need to let us know immediately if any of our belongings such as facilities, equipment, tools, and others are damaged or lost including the computer virus and any IT related damages. If the damage is big, we would ask you to be responsible for the compensation.
  - Please be responsible if you injure someone while you are at GRC.
7. We might cancel your research at GRC if you cause an accident due to not following our rule.
8. All the personal information is strictly confidential and we do not use them for anything but only for our necessary documents.
9. About the requirement on having injury insurance (stated on the Commitment Form)
